About Us

At **JK Tourist & Transport**, we take pride in being a name synonymous with trust, quality, and excellence in the Indian travel and transportation industry. Founded in 2005 by **Mr. Rambhau Dhondiba Mahadik** began journey with a clear vision—to deliver reliable, professional, and customer-centric transport solutions across the country.

Over the years, we have grown steadily, earning the confidence of clients across corporate, government, and tourism sectors. Our commitment to safety, punctuality, and superior service has helped us become one of India's leading transportation providers.

In 2009, we expanded our operations by launching Eagle Cars, marking our entry into the luxury, executive, and customized travel space. Today, both JK Tourist & Transport and Eagle Corporate Transportation are recognized for setting new benchmarks in the industry, blending operational excellence with modern travel experiences.

With a modern fleet, skilled chauffeurs, and a customer-first approach, we continue to focus on delivering seamless, secure, and professional journeys for corporate, semi-government, and government clients across the country.

Our Vision

To be India's most trusted and preferred transportation partner by delivering safe, timely, and comfortable travel experiences. We aim to lead the industry through continuous innovation, exceptional service, and a strong commitment to customer satisfaction.

Our Values

At JK Tourist & Transport, we value safety, reliability, and customer satisfaction. Our trained drivers and well-maintained fleet ensure secure and comfortable journeys. We believe in honesty, professionalism, and innovation to improve our services.

What Sets Us Apart

- **Safety-First Policy**

We have a strong focus on safety, with GPS-tracked vehicles, background-verified drivers, in-cab cameras, and well-defined emergency response protocols in place.

- **Tech-Enabled Platform**

We provide a fully integrated technology platform, including real-time vehicle tracking, automated scheduling, and mobile apps for both administrators and employees.

- **Sustainability Focus**

We are committed to a greener future. Our fleet includes electric and CNG vehicle options to help reduce environmental impact.

- **Cost-Efficient Models**

We offer customized and economical transport solutions tailored to your operational and budgetary needs.

- **Flexible Shift Coverage**

We ensure efficient scheduling and a green fleet to support round-the-clock operations with flexibility.

- **Employee-Centric Features**

We have implemented gender-sensitive policies, onboard Wi-Fi, and real-time feedback mechanisms to enhance commuter comfort and safety.

- **Analytics & Reporting**

We provide regular MIS reports, SLA tracking, and performance dashboards for full transparency and accountability.

- **Contingency & Backup Plans**

We have standby vehicles and rapid deployment protocols in place to handle unexpected situations without disruption.

- **Experience & Track Record**

With years of experience and a proven track record, we deliver reliable, safe, and punctual transport solutions, earning the trust of corporate, government, and tourism sectors.

- **Compliance and Insurance**

We maintain full compliance with transportation laws and ensure all vehicles and operations are properly insured.

Our Expertise

- **Extensive Industry Experience:** Backed by years of hands-on experience, we have built a strong reputation as specialists in the transportation and logistics field.
- **Trained Drivers:** Our drivers are professionally trained, respectful, and focused on delivering a safe and pleasant travel experience.
- **Top-Quality Fleet:** We maintain a fleet of premium vehicles, regularly serviced to ensure dependable and comfortable journeys.
- **Customized Transport Solutions:** We understand that every client has different needs, so we offer personalized services tailored to suit each requirement—whether for business, government, or tourism.
